

Privacy policy for Pixilog Aps

The website address of the homepage is: <https://keepitsimple.dk>.

Page content

The page only contains text, icons with links to the App Store and a link to the device's mail system.

No cookies are used on the page.

Downloadable apps

These apps only store data on the mobile device. There are no external databases and data cannot be accessed by others.

The only way data can be shared is when the user chooses to send data to others via e-mail.
